

1,100 Bushel Grain Cart

# **KB Killbros**

**CORNER-AUGER GRAIN CART**

**1135** | 1,100 BU CAPACITY

*Killbros Quality and Value  
in a Larger Size*

## FEATURES AND BENEFITS

- 1,100-bushel capacity with 20"-diameter auger and unloading speed up to 500 bushels per minute
- Patented cushioned auger engagement with auger flighting that is timed for faster unloading and greater grain quality
- 3/8"-thick Extended-Wear flighting is computer balanced to virtually eliminate any vibration of upper and lower augers
- Smooth engagement of upper and lower augers for extended life with a spring-loaded top bearing
- High-intensity halogen auger lights for easier nighttime unloading
- Steep 45 ° sidewalls, 39 ° front and 34 ° rear slopes and deep sump for fast, clean and complete unloading
- Shear bolt-protected PTO for reduced maintenance and downtime
- Full primer undercoat, baked-on, high-grade equipment enamel in tractor green or red, and silicone-sealed seams to resist rust and corrosion
- Standard rollover Weatherguard tarp to protect load contents

Two-Way Downspout

Cushioned & Timed Auger

U-Harvest

## OPTIONS

- All data management and scale packages feature 5-point load cells for the greatest accuracy
- UHarvest® data management system for the most detailed grain cart harvest data possible:
  - Complete touch-screen operation with tablet or ISO terminal
  - Grower, farm and field information
  - USB data management and/or mobile app
  - Multiple user access
- UHarvest Lite scale package for easy installation and viewing from the tractor's VT screen
- Model 640 traditional scale packages for determining crop yield, comparing yield within a field and keeping load weights within legal limits
- Hydraulic drive for use with tractors without PTO
