## Model 357, 387 & 397 Gravity Wagons

The new generation of Killbros® Gravity Boxes offer performance-enhancing features while continuing the time-tested dependable service you rely on.

# Killbros

## A NEW GENERATION HAS BEGUN.

Put quite simply...we know gravity wagons. Killbros® has been manufacturing gravity wagons for over 50 years. With the performance-enhancing features and an updated look, we've added even more value to an already durable and dependable product.

- Wheel-operated door with rack and pinion design offers smooth operation and longer life.
- All models feature steel sills for added durability.
- The Model 387, with 36" unloading door and 12" sampling door, provides quick and easy unloading of even high-moisture grain.
- Viewing windows on Models 387 and 397 provide quick checking of wagon contents.

## **RELIABILITY IS STANDARD.**

Create a simple, cost effective solution to your seed handling needs with the Model 397 split box. When equipped with a Killbros auger or conveyor, this simple solution allows you to carry and deliver up to two different bulk seed varieties. A variety of auger and conveyor options, including telescoping spout and electronic on-off make filling your drills and planters a simple task.

- The split-box design of the Model 397 allows the carrying of two bulk materials at the same time.
- Each compartment has a wheel-operated unloading door with rack-and-pinion design.
- Graphite-coated interior offers quick unloading and complete cleanout.
- Choose from a variety of durable farm wagons, with multiple tire options, to complete your wagon.
