

TOP AIR® 3-POINT SPRAYERS

Top Air® 300-gallon 3-point sprayers provide exceptional maneuverability and unmatched performance for any size operation.

300 GALLON

**UNRIVALED
SPRAYING SOLUTIONS**

3-POINT SPRAYER FEATURES AND BENEFITS

- Equipped with a 300-gallon capacity tank, hydraulic pump and manual agitation control
- Available with a 30' or 45' manual, 45' or 60' hydraulic cross-fold and self-leveling boom with three-section boom shut-off
- Hydraulic vertical height control on the 45' and 60' hydraulic cross-fold booms allows for easier spraying of taller crops
- Outer wing breakaway quickly returns to spraying position should it come into contact with an obstruction
- Compact design and fold for narrow transport width and height, along with standard parking stands for easy storage
- Transport lights, slow-moving vehicle sign and reflective striping for safer road travel

OPTIONAL ACCESSORIES

- Fence-row nozzle kit for operator convenience
- Nozzle spacing available in 15" or 20" to meet the needs of different operations
- Frame and boom feature high-quality finish for enhanced corrosion resistance
- Foam marker gives you precise spraying, pass after pass
