

Unverferth® Tillage

Rolling Harrow® Soil Conditioner Model 165

The conditioning choice ***for more than 25 Years***

When it comes to soil conditioning, nothing outperforms the Unverferth Rolling Harrow® soil conditioner. It's the one that has become synonymous with the ultimate in seedbed finishing. For soils that need only a lighter finishing touch, look to the pull-type model 165 single basket Rolling Harrow soil conditioner. The scalloped blades, combined with the aggressively designed leading angle of the roller, ensure maximum soil penetration and mixing.

Working widths from 12' to 50'

Single Basket Rolling Harrow® Model 165 soil conditioner for lighter soils

- Large-diameter 16" baskets with ten 3/8"-thick high-carbon steel blades, and 2 3/8" - steel-center shaft with reinforcing discs spaced every 10" to 12" for optimum performance
- Baskets are reversible for either aggressive mixing or more passive surface firming
- 4-bolt flanged bearings feature triple-lip seals for maximum life
- Superior clearance between the roller and roller frame ensures uninterrupted operation
- Complete with hydraulic hoses with protective end caps; single-hose sets on 12'-36' models, two-hose sets on 38'-50' models; kits available for converting single sets to doubles and doubles to singles
- Horsepower requirement is 1/2 hp to 1 hp per foot of operating width
- Large-diameter dual-transport wheels are positioned ahead of the roller for eliminating tracks and enhanced in-field stability; 3-section models have 7.60 x 15 tires and 5-section models are equipped with 9.50 x 15 tires
- Models from 38' to 50' feature mid-wing mounted 9.50 x 15 wheels/tires for added in-field stability; all models available with optional 9.50 x 15 wing-mounted list-assist wheels
- Extendible tongue length for added turning clearance
- Available with straight spike-tooth, diagonal round-tooth or coil-tine leveling bars
- Optional lighting package for enhanced transport visibility

16" basket with 10 blades

Narrow transport width

Rolling Harrow® Model 165 — Vertical Folding

Models with 12' Base — 50-12 ft. Widths

| Working Width | Transport | | Width | | Fold | Approx. Weight (lbs.) with Harrow |
|---------------|-----------|--------|-------|------------|-----------|-----------------------------------|
| | Width | Height | Base | Wings, Ea. | | |
| 50' | 15' 7" | 14' | 12' | 19' | 5-Section | 7,600 |
| 48' | 15' 7" | 14' | 12' | 18' | 5-Section | 7,545 |
| 46' | 15' 7" | 14' | 12' | 17' | 5-Section | 7,485 |
